### Day ( 1 )      **Arrival at Airport - Amman**

Sunday  
01/04/2018      Arrive at Amman Airport, where we will meet you, assist with immigration and then transfer you to your hotel. Amman is one of the oldest cities in the world, inhabited since the bronze age. The city is growing into a modern city, but retains its character and history.

Overnight in Amman.

### Day ( 2 )      **Amman City Tour - Experience the Capital**

Monday  
02/04/2018      After breakfast, spend a full day exploring Amman. Our experienced guide will start with teaching you a few Arabic greetings, that will help you communicate with the Jordanians you will meet on your tour. Throughout the trips, we'll add a few more words in which help you to engage with the people you meet. Many people speak English, but you'll get a warm reception as you use some Arabic.

We'll start with visiting the Citadel, where in the Old Testament King David arranged to have his lover's husband murdered. The citadel overlooks the amphitheatre and old downtown. We then drive Jebel Webdeh, the arts and cultural district passing art galleries and local antiquities and handcraft shops. Afterwards we head to 1st Circle and start our walking tour on Rainbow street, lined with cafes, before descending colourful steps into the heart of the old city, passing Wild Jordan, a division of the Royal Society for the Conservation of Nature. Stopping at local restaurants to sample falafel, hummus and the Arab delicacy, Kenafah, eaten at times of celebration. Continue through the streets and markets, visiting the Hussein mosque and time permitting the amphitheatre. The evening will provide time to relax in the hotel or explore the various local restaurants to sample Jordanian food.

Overnight in Amman

### Day ( 3 )      **Amman - Jerash - Ajloun - Meal in Family Home - Amman**

Tuesday  
03/04/2018      Pick up from Amman and drive north to Jerash, one of the most preserved Greco-Roman cities in the Middle East. After enjoying the ruins and souk at Jerash, proceed to Ajloun and visit the castle, dominating the Ajloun skyline. It was built to ward off the Crusader armies at the key trade and pilgrimage intersection between Jerusalem, Cairo, Damascus and Mecca.

We then head to the village of Orjan for an experience of more traditional life. Meeting our local host at the olive groves, to see the trees that have provided olives for hundreds of years. We then take a short walk to our host's family home, where you will be introduced to the culture and daily life of the host community, and sample a delicious feast of traditional food cooked by his family. A great opportunity to ask questions about life in rural Jordan. Return to Amman for the evening.

The castle provides an impressive insight into the architectural and military skills of the Crusaders. Continue south and stop at Shobak castle, also known as Montreal, providing a contrasting example to Kerak. We finish the day with driving the village of Little Petra known as Beidha where the Nabateans used to host their guests. Walk through the Siq and be astounded as you reach the magnificent Treasury, the entrance guarding the ancient Nabatean city. Then continue into the city, viewing the amphitheater, exploring its many caves and tombs.
